VISITATION PARISH COMMEMORATIVE BRICK PAVER PROGRAM

LOCATION OF BRICK PAVERS

Become a permanent part of the history of Visitation Parish by purchasing an engraved brick paver commemorating a special person or event. Each brick paver will be etched with a personal message or name, and will be located near the main entrance of the Parish Center or Bell Tower.

Engraved brick pavers are great gifts in memory of loved ones, special anniversaries, first communions, weddings or graduations.

Brick pavers are concrete Brussels Block by Unilock.

Installation is scheduled to take place in summer of 2011 and continue until all the pavers are purchased.

The location of the brick pavers will be in two general areas; one leading to the main entrance of the Parish Center, near the Blessed Mother statue.

The second location for brick pavers leads to the new Bell Tower and prayer garden, a tribute to the Adrian Dominican Sisters who have served Visitation School by educating our parish school children.

ORDERING INSTRUCTIONS

- Payment for the brick paver must accompany order. You will receive confirmation within 30 days of your order.
- If you wish to purchase additional brick pavers, please indicate that on the order form or use additional sheets.
- Your message must fit within the spaces provided on each of the three lines for standard size, or six lines for large size.
- All text will be standard size, font and style.
- Messages will be centered automatically. All messages are subject to approval by Visitation Parish. Spaces between words and names count as characters.
- All brick pavers purchased will qualify for some amount of tax deductibility. The exact deductible amount for each brick paver will be noted on the acknowledgement letter you receive in response to your purchase.
